Forwarding the copy of the remarks, made by His Excellency the Governor of Madras, in the Visitors' Book of the Dumbleton Memorial Hospital Bangalore on the 12th Instant.

I was much impressed by the admirable appointment of this Hospital which seemed to me to be equipped most efficiently in every way.

I understand that treatment is given free to those who are unable to pay and feel as head of a neighbouring Province that I should wish to express my personal gratitude to His Highness the Maharaja for the generous treatment given to so many British Citizens in his hospital.
